End Of The Year

The school year is coming to an end. We all have worked hard during this year and now, that summer is just around corner, we are finding it harder and harder to stay focused on our duties. We would rather spend the day out in the sun when it happens to appear behind the clouds. One thing we need to remember is that school comes first, and our grades are the main reason why we are part of such an amazing organization as Phi Theta Kappa. Remember, nothing worthwhile is easy, and it takes hard work and dedication to achieve greatness. So hang in there, keep up the hard work and great things will happen.
